

DATE OF PUBLICATION: 7/25/17

CHANGE NOTIFICATION #: 1004

PLANNED DATE OF CHANGE: 8/3/17

Bentel manufactured systems: 8/3/2017

Toronto manufactured systems: 8/3/2017

SUMMARY OF CHANGE:

Change in standard operating systems on all server part numbers except M-Series and S-Series.

DESCRIPTION AND REASON FOR CHANGE:

In order to continue to provide long term support with OS patches, exacqVision is now shipping systems with two new versions of operating system – Windows 10 IoT and Ubuntu 16.04.

Windows systems that previously shipped on Windows 7 Standard Embedded will now ship with Windows 10 IoT. Linux systems that previously shipped on Ubuntu 14.04 LTS will now ship with Ubuntu 16.04 LTS.

Systems shipping with Windows 10 now have the ability to localize the language of the OS.

This change affects the description of all server part numbers except M-Series and S-Series.

For more information, see below.
