

DATE OF PUBLICATION: OCTOBER 10TH, 2017

CHANGE NOTIFICATION: 1010

RELEASE TO MANUFACTURING: OCTOBER 10TH, 2017

SUMMARY OF CHANGE:

Change in standard operating system for LC Series servers.

DESCRIPTION AND REASON FOR CHANGE:

In order to continue to provide long term support with OS patches, exacqVision is now shipping our LC-Series servers with Ubuntu 16.04.

This changes the description of all server part numbers within the series.

For more information, see below.
